Which bus stop(s) will your child use? _____

The bus route has been decided for 2015. A new stop can be added along the route, so long as the bus can safely stop, children can safely wait roadside, and there is sufficient distance from the next stop. If you would like a stop added to the route, please specify:

Will your child use the bus in the afternoon? ☐ Yes ☐ No

(this information is for the afternoon bus list)

I would like to subscribe to the bus society website to receive bus news by email:

☐ Yes ☐ No

In the unlikely event of the bus breaking down roadside, we will phone parents and transport children in private cars to the Family Christian Centre bus stop on Belgium Road, where they can wait safely to be collected. Please sign below that you are comfortable with this arrangement.
